Believe In Me....I Can Succeed

From the Principal

Happy Thanksgiving

We would like to say thank you to Holy Redeemer, Bueche's Food World, school staff, various people who made cash donations, and all the parents that sent their child with a quarter for popcorn. With all the generous giving, South Bendle was able to provide 12 Thanksgiving dinners to families in need on this holiday.

Santa's Workshop

We are having a Santa's Workshop on December 20th that will be held at the middle school from 5:30-8:00. We need vendors and shoppers, so look for the flier we are sending home about this!

Literacy Tip of the Week

Have your child write out their letter to Santa. Make sure to use the proper heading with a comma, proper punctuation, and a proper ending. Again, have fun with it.

Cold Weather

The cold weather has begun. Make sure to send your child in properly clothed and equipped to go outside. We will go outside if it is 10 degrees or above. Children will not be allowed to stay in unless they have a doctor's note stating the need. We do not have supervision for kids indoors at recess time.

Just in conversation, ask your child how they filled someone's bucket today. We need to use the same vocabulary at home and school in order to have the biggest impact.

Dates to Remember

December 20th- Santa's Workshop

Quote of the Week:

Smooth seas do not make skillful sailors.
